

Dear members

It's time to bid 2017 a goodbye and let the hope for a bright new year set in. "The new year stands before us, like a chapter in a book, waiting to be written. We can help write that story by setting goals."

**“Take a leap of faith and begin
This wondrous new year by believing.”**

We pledge our continued commitment towards prevention, early detection and management of cervical cancer and other genital cancers.

We are delighted to announce that AOGIN INDIA has initiated country wide cervical cancer awareness and screening camps with the support of Kalyanmayee - AAIWWA (Airports Authority of India Women Welfare Association).

The first set of camps was held in December 2017 with 8 cities participating from various parts of India. The participating cities were Delhi, Lucknow, Mumbai, Kolkata, Bhuvaneswar, Chennai, Hyderabad and Coimbatore. A total of 9 camps were conducted in which 510 women were screened by using Pap smear and VIA.

In January 2018, AOGIN India would be organizing a total of 10 cervical cancer awareness and screening camps across the country.

Those who are interested in participation can please contact us at AOGIN India Secretariat for details.

Thank you for your continued support and participation.

Wishing you all a great year ahead!
