Conference

Dear Colleagues,
We take immense pleasure to invite you for the 9th National Conference of AOGIN India which will be held at Kochi, India on December 14 & 15, 2019.

AOGIN India is an organization committed to reduce the burden of diseases caused by reproductive tract infections, especially Human Papillomavirus (HPV) in India. In line with WHO action call for elimination of cervical cancer by 2030, 9th National conference of AOGIN India will address the most recent advances in the screening, prevention, diagnosis and treatment of cervical cancer and also strategies to eliminate cervical cancer in India.

The pre-conference workshops scheduled on 13th December will have programs which are of interest to Oncologists, Gynecologists, Pathologists, Microbiologists, General practitioners, Students & Public health workers. The conference will feature keynote lectures by the leading authorities in the field of Gynaecological cancers & HPV research and will feature exciting debates and interesting panel discussions. Topics covered will range from genital infections to prevention & treatment of cervical cancer with an emphasis on HPV based prevention including vaccination.

Delegates will get a chance to meet and interact with renowned international and national faculties. The conference also provides an opportunity for researchers to present their original work during free paper sessions.

We look forward to your active participation & support in making this meeting successful.

Regards,

Dr. K Pavithran
Organising Chairman

Dr. Anupama R
Organising Secretary

Dr. Arun Warriar
Co-Organising Secretary

Dr. Abraham Peedicayil
President AOGIN India

ABSTRACT SUBMISSION

Abstract submission deadline: 1st November, 2019

Submission Guidelines Overview.

All abstracts for the 9th National Conference of AOGIN India must be submitted by email to aogin2019@gmail.com before 1st November 2019.

Word limit - 250 words. Abstracts will be selected for either Oral or Poster presentation. Authors will receive a confirmation on or before 15th November 2019.

The topic of the abstracts should cover the following:

- Gynecological Malignancies
- HPV infection
- Screening modalities for premalignant lesions

Presentation Types:

Authors may submit 1 or more abstracts for consideration for presentation at the meeting. All abstracts will be reviewed by the selection committee. The selected abstracts will be shortlisted for either Oral or Poster presentation. Oral presentation will be delivered during the scientific sessions. Date & time of the presentation will be intimated later. Each presenter will be given 7 minutes for presentation, followed by 3 minutes for questions.

Your Abstract should adhere to the following format:

- **TITLE & AUTHOR:** Your title should be as concise and accurate as possible. Good titles may ask a question, describe a problem, reference a controversy, summarize an experience, or even state a result.
- **Institute Name**
- **AIM :** State in 1-2 sentences the aim of your study. Describe the scientific context, i.e. why you did the study and include what the hypothesis of the study was. Novelty for its own sake without a clear justification is insufficient reason for a study.
- **METHODS :** Briefly state the plan and/or methods used, i.e. how you did the study. For reports of clinical experience it is essential to describe the patient population and how they were identified and / or selected. For comparisons between two populations, it is particularly important to show how the two groups are comparable and / or different.
- **RESULTS :** Clearly summarize the data, i.e. what you found. Use that format which most concisely and clearly presents your results. Abstracts must be complete and include data in the results. Abstracts that do not include results ("results will be presented") will be automatically rejected.
- **CONCLUSIONS :** Briefly state the implications of your findings, i.e. what the results mean.

REGISTRATION DETAILS

Early Registration closes: September 30th , 2019

Late Registration closes: December 1st , 2019

Registration guideline

- All participants must complete registration before 1st December 2019.
- For online registration visit our website: aoginindia.com
- For offline registration submit scanned copy of "Registration form" to aogin2019@gmail.com.
- All cancellations must be made in writing to the secretariat and the refund will be made after the conference. 50% of the registration fee will be returned on/before 1st December 2019. There will be no refund after 1st December 2019 for cancellation.
- While making NEFT/RTGS/UPI transactions, Kindly make sure that the narration reads "AOGIN India- Your Name".
