

Call for a national-level plan to combat cervical cancer

Dr. Shalini Rajaram, president of AOGIN India (Asia Ocenia research organisation on Genital Infections and Neoplasia India), delivered the AOGIN-India Presidential Oration at the AOGIN India 2015 Conference organised jointly by the Department of Obstetrics & Gynaecology, Christian Medical College, Vellore and the Vellore Obstetrics & Gynaecologic Society at the CMC campus on Thursday, August 28, 2015. Dr. Shalini said that the cervical cancer prevention programme has not yet taken off in India despite the country having the best doctors in the field.
