

Report of AOGIN Hands-On LEEP Workshop

A Pre-Conference Hands-On LEEP workshop was organized at Hotel Patliputra Ashok on 14th October, 2016 from 2-4 pm; the co-ordinators were Dr Partha Basu (IARC, France), Dr Shalini Rajaram (Delhi), Dr Saritha Shamsunder (Delhi) & Dr Pragya Misra (Patna). About 50 delegates including practising gynaecologists of Patna & surrounding cities actively participated and learnt to perform the LEEP procedure on simulators. Each delegate performed the LEEP on the model under supervision with immediate feedback, which gave them confidence to perform LEEP independently in their set-up.
